PROFILE

I am a creative and hardworking graduate with Diploma: IT (CN) that branched out to software development. I am well equipped with tech knowledge and tools hence proficient in computer programs such as MS office, Visual Studio, SASAMS and Packet tracer as examples. I have good understanding and skills in languages such as HTML, CSS and Javascript. Currently upskilling and also learning ReactJS. I am highly ambitious and most eager to learn, grow and succeed by fair ethical means. I am seeking an entry level position in order to enrich my knowledge and experience.
